Playology is a Leadership Development event for youth ministers and volunteers, youth in leadership roles, and anyone interested in creative ways to build community and share their experience in their church, work or school setting. The day includes an opening program, 2 workshops, lunch and closing worship.

Choose TWO Workshops

- **Creative Bible Study** Looking for creative ways to share God's WORD? Experience ways to strengthen connections between Scripture and real life through a variety of interactive approaches to reading, hearing, and sharing God's powerful WORD.
- **Around the Table** Learn activities that can be played around tables by all ages at gatherings such as family night suppers, SS classes, retreats, and more.
- **Community Building** from entering a room to closing a program, learn activities to take a group of relative strangers and transform them into a community through activities which break down barriers and build trust. Learn how to effectively plan for the flow of any program and sharpen your skills as a group leader.
- **Games Galore** Start to finish, we will pack as many games into our time as humanly possible! Active games, "no equipment" games, quiet games, name games, and the list goes on and on. We'll include lots of low or no supply games.
